

Dutch-Way Sub Sale Fund Raiser

Dutch-Way Farm Markets is giving you the opportunity to take advantage of the store traffic that it generates each week.

How Does It Work?

You purchase ready-made subs or hamboats from our store for \$2.50 each (order must be placed in advance in order to ensure that product is available). Then, Dutch-Way will allow you to use their lobby or front porch to sell your subs and hamboats to customers who come to Dutch-Way. We recommend selling a sub or hamboat at \$3.50 each, which would raise \$1.00 each sub.

DO THE MATH!

THAT'S \$1 RAISED PER SANDWICH SOLD!

If you sell 100 sandwiches, you will raise \$100.00!!

If you sell 200 sandwiches, you will raise \$200.00!!

If you sell 300 sandwiches, you will raise \$300.00!!

OR...

For the most fundraising potential, you can purchase all of the fixin's by the pound and assemble the subs yourself! If you have the volunteers to make it happen, you'll get the benefit of additional raised funds. All prices are market based and labor is added for processing and slicing only – not for the assembly of the subs.
